

Webinar

Understanding Tax Risk & Governance 27th June 2024 | 1:00pm - 2:00pm

Join us for an insightful webinar on Thursday, June 27th, as we explore the crucial components of tax governance and why it has emerged as a critical pillar of corporate integrity.

In an era where regulatory scrutiny is at an all-time high, understanding the essential components of tax governance is paramount for businesses. During this webinar, we will explore the essential steps companies must take to ensure robust tax governance and what is required to be considered 'Low Risk' by HMRC.

We delve into HMRC's requirements in relation to the Senior Accounting Officer regime and how adopting a comprehensive Tax Control Framework will help you to meet these requirements. Additionally, we will examine the importance of preventing corporate criminal offences and the actions required to protect against criminal charges.

This webinar is tailored for individuals who are responsible for a corporate's tax affairs or is a designated Senior Accounting Officer.

Whether you are a seasoned tax professional or a corporate executive, this session promises valuable insights that can enhance your organisation's tax compliance efforts.

Join us as we navigate through the intricate landscape of tax governance and corporate integrity, equipping you with the knowledge and tools necessary to navigate the evolving regulatory landscape successfully.

Secure your spot today. Don't miss out on this opportunity to fortify your organisation's tax governance framework and safeguard its integrity.
